

HITEN MANDHYAN

Full Stack Developer | AI & Data Applications

hitenmandhyan124@gmail.com | [linkedin.com/in/hiten-mandhyan](https://www.linkedin.com/in/hiten-mandhyan) | [Portfolio](#) | Delhi NCR, India

SUMMARY

Full-Stack Developer with expertise in building end-to-end web applications using Python, JavaScript, Node.js, Flask, and SQL. Experienced in designing scalable backend systems, relational databases, and REST APIs for real-world applications in healthcare and analytics. Proficient in integrating intelligent features including real-time focus detection using MediaPipe and machine learning-based digit recognition. Strong background in data processing, visualization, and problem-solving with proven ability to deliver practical, user-centric solutions.

EDUCATION

Christ University

Bachelor of Computer Applications / CGPA: 8.92/10.0

Delhi NCR, India

Jul 2024 – May 2027

Central Board of Secondary Education

Higher Secondary Certificate (Science) / Percentage: 84%

Prayagraj, India

May 2024

St. Joseph's College

Secondary School Certificate (ICSE) / Percentage: 94%

Prayagraj, India

May 2022

EXPERIENCE

Early Edge

Web Development Intern

Chennai, India

May 2025 – Jun 2025

- Developed and deployed a responsive, performance-optimized company website, enhancing digital presence and improving user engagement across devices
- Designed and implemented dynamic UI components and structured financial content pages using modern web technologies
- Collaborated with cross-functional teams to translate business requirements into functional web features

Wecncode

Campus Ambassador

San Francisco (Remote)

Feb 2026 – Present

- Represent Wecncode on campus to promote accessible AI and software development education
- Engage with student communities to introduce emerging technologies and AI learning opportunities
- Support initiatives aimed at democratizing technology education and connecting students with global tech resources

PROJECTS

Smart Study Mate – AI-Based Focus & Study Tracking System

Sep 2025 – Nov 2025

Python, Streamlit, MediaPipe, Face Mesh, OpenCV, JSON

- Developed an AI-based study tracking system that detects user attention in real time using MediaPipe Face Mesh
- Implemented attention scoring based on face presence, eye openness, and head orientation
- Integrated Streamlit backend to track sessions, focus percentage, and learning analytics
- Stored session data using structured JSON persistence

AI Data Analyst Dashboard

Jan 2026

Python, Flask, Pandas, Matplotlib, HTML, CSS, JavaScript

- Built an AI-powered analytics dashboard capable of processing datasets and generating automated visual insights
- Designed a Flask-based backend pipeline to process uploaded datasets and generate insights
- Implemented data cleaning using Pandas and generated visualizations with Matplotlib
- Utilized AI-assisted development tools including Claude Code for debugging, rapid iteration, and workflow optimization

HealthVerse – Health & Fitness Tracking System

Jan 2025 – Mar 2025

HTML, CSS, JavaScript, Firebase, Firestore

- Developed a responsive health web application with real-time data synchronization
- Implemented authentication and profile management using Firebase
- Integrated Firebase APIs for real-time health metrics storage and updates

- Developed a multi-page tourism website featuring cities like Varanasi, Lucknow, Mathura, and Ayodhya
- Designed an intuitive layout and integrated a chatbot to assist visitors

TECHNICAL SKILLS

Languages: Python, JavaScript, Java, C/C++, SQL

Frontend: HTML, CSS, JavaScript

Backend: Flask, Node.js

AI / ML: TensorFlow, Keras, Scikit-learn, NumPy, Pandas

Computer Vision: OpenCV, MediaPipe, Pillow

Databases: MySQL, MongoDB, Firebase

Tools: Git, GitHub, VS Code

AI Tools: Ollama, Claude Code, Antigravity

CERTIFICATIONS

- Google Cloud Cybersecurity Professional Certificate – Google
- Google Data Analytics Professional Certificate – Coursera
- Machine Learning Specialization – Andrew Ng
- Internet of Things – Infosys Springboard
- Google Cloud Digital Leader Certification – Google

KEY ACHIEVEMENTS

- **Merit Scholarship Awarded:** Received merit scholarship for academic excellence and extracurricular achievements
- **WordPress Site Management:** Managed and maintained the CAPS committee WordPress site, increasing traffic by 45%
- **University Placement Cell Member:** Contributed to university placement efforts assisting in student placements
